Textile Stakeholders,

Dear Sir/Madam,

Re: DRAFT TANZANIA STANDARDS FOR STAKEHOLDERS COMMENTS.

As per laid down guideline for the working procedure of Tanzania Bureau of Standards in preparing and publishing Tanzania Standards, stage three of the Draft Tanzania Standard is public comments. Stages one and two were passed through and approved by the Technical and Divisional standards committees respectively.

The enclosed Draft Tanzanian Standards are now ready for stakeholder's comments. Your technical and / or editorial comments will be highly appreciated.

If you do not have any comments to make but find the Draft Standard generally acceptable it would be helpful if you notify us accordingly.

Any suggestions on review of the text should indicate the preferred wording, by quoting the relevant clause number against the comments made in the attached template. (Annex D).

All Draft Standard comments should be addressed to the Director General, Tanzania Bureau of Standards not later than 2019 – 04 – 26 and if nothing is to be heard from the said date, then the draft Tanzania Standards would be considered acceptable

Yours Sincerely

Johnson Kiwia
