

**TBS/GTDC 5(5166) P3/ ISO 11800:1998** Information and documentation-  
requirements for binding materials and methods used in the manufacture of books  
(Rev. TZS 1250:2010)

DRAFT FOR PUBLIC COMMENT ONLY

TANZANIA BUREAU OF STANDARDS

---

**SCOPE**

This draft standard specifies manufacturing method and material that will result in durable hard cover and soft cover for books manufactured in commercial quantities. It does not apply to hand bookbinding, individual casing or binding of archival matter. Nor does it apply to fine binding which does not serve its normal purpose of primarily protecting a book block (such as sculptural art formed around book-like material)
