**RE: DRAFT TANZANIA STANDARDS FOR PUBLIC COMMENTS.**

As per laid down guidelines for the working procedure of Tanzania bureau of Standards in preparing and publishing Tanzania standards, stage three of the draft Tanzania standard is public comments. Stages one and two were passed through and approved by the Technical and Divisional Standards committee respectively. The enclosed draft Tanzania standards are now ready for public comments. Your technical and /or editorial comments are highly appreciated.

If you do not have any comments to make but find the draft standard generally acceptable it would be helpful if you would kindly notify us accordingly.

Any suggestions on review of the text should indicate the preferred wording, by quoting the relevant clause number against the comments made in the attached template.

The draft standards comments should be addressed to the director, Tanzania Bureau of Standards not later than 2018- 08 – 28 and if nothing is to be heard from the said date, then the draft standard would be considered as acceptable.

Yours sincerely,

James H. James  
For DIRECTOR GENERAL.
