Dear Sir/Madam,

RE: DRAFT TANZANIA STANDARDS FOR STAKEHOLDERS' COMMENTS

Please refer to the heading above.

Tanzania Bureau of Standards (TBS) is in the process of developing standards on contaminants in foods as indicated below:

- TBS/AFDC 27 (6605) P3 - Code of practice for the prevention and reduction of dioxins, dioxin-like and non-dioxin-like Polychlorinated biphenyls in food and feed
- TBS/AFDC 27 (6606) P3 - Code of practice for the prevention and reduction of inorganic tin contamination in canned foods
- TBS/AFDC 27 (6607) P3 - Code of practice for the prevention and reduction of lead contamination in foods

According to procedures for development of Tanzania Standard(s), the draft standards are hereby circulated for stakeholders' comments.

Being one of the key stakeholders in standards development, we kindly request you to go through the draft standards and send your comments regarding their technical contents.

Suggestion which entails revision of text should indicate the preferred wording and the relevant clause should be quoted against each comment. In case you find it suitable and no comments, please notify accordingly. Your comments can be submitted in electronic form or hard copy as per attached form.

The bureau will appreciate to receive your views/difficulties of implementation if any, on the above-mentioned draft standards as early as possible but not later than 27th April, 2020.

Thanking you in advance for your kind and continued cooperation.

Yours Sincerely,

Ally H. Kingazi
For: DIRECTOR GENERAL
