

DRAFT TANZANIA STANDARD

GTDC 8 (5781) P3 / ISO 18065 Tourism and related services —Tourist services for public use provided by Natural Protected Areas Authorities — Requirements

DRAFT FOR PUBLIC COMMENTS ONLY

TANZANIA BUREAU OF STANDARDS

SCOPE

This draft Tanzania Standard establishes the requirements for tourist services provided directly by Natural Protected Areas Authorities (NPA) in order to satisfy visitors while giving priority to the NPA conservation objectives, excluding the marine protected areas.

NOTE These NPAs can be publicly or privately managed, managed by the community or by NGO, or managed by a mixture of some or all of these possibilities.
