

Draft Tanzania Standard
Textiles —Dyestuffs —Part 1: General principles of testing coloured
textiles for dyestuff identification

TANZANIA BUREAU OF STANDARDS

TANZANIA BUREAU OF STANDARDS

National Foreword

This Tanzania Standard is identical to **ISO 16373-1 Textiles —Dyestuffs —Part 1: General principles of testing coloured textiles for dyestuff identification**, published by International Organization for Standardization.

The national committee responsible for this standard is sampling procedures and test methods Technical committee (TDC5).

The standard specifies general principles of testing coloured textiles of dyestuff identification.

Terminology and conventions

Some terminology and certain conventions in the ISO standards are not identical with those used in Tanzania Standards and attention is drawn to the following:

Where the words “ISO Standard(s)” appear, referring to this standard they should read “Tanzania Standard(s)”.
