## **DRAFT TANZANIA STANDARD**

**(Draft for comments only)**

---

**Power Quality — Quality of Service and Reliability**

---

**TANZANIA BUREAU OF STANDARDS**

---

## **1 National Foreword**

This draft Tanzania Standard is being prepared by the Electrical Equipment Technical Committee, under the supervision of the Electrotechnical Divisional Standards Committee (EDC)

This Tanzania Standard is a revision of TZS 1374:2011 (Edition 1), Power Quality — Quality of Service and Reliability, which is currently undergoing systematic revision.

Draft for Stakeholders comments only

### **3 Scope**

This Tanzania Standard specifies minimum requirements for measuring and assessing the quality of service and reliability of electricity supply provided by electricity utilities. It establishes service-quality activities, performance indicators and methods for evaluating the reliability and continuity of electricity supply to customers.
