DRAFT TANZANIA STANDARD

Zhacai (pickled and squeezed vegetables) — Specification and test methods

DRAFT STANDARD

TANZANIA BUREAU OF STANDARDS

@2026
First edition 2026

0 National foreword

This draft Tanzania Standard is the identical adoption of ISO 24673: **Zhacai (pickled and squeezed vegetables) — Specification and test methods** published by International Organization for Standardization.

1 Terminology and conventions.

Some terminologies and certain conventions in the ISO standards are not identical with those used in Tanzania Standards and attention is drawn to the following:

The comma (,) has been used as a decimal marker (.) for metric dimensions. In Tanzania Standards, it is current practice to use a full point on the base line as the decimal marker.

Wherever the words “International Standard” appear in this Tanzania Standard, they should be interpreted as “Tanzania Standard”.

2 Scope

This document specifies the definitions of Zhacai (pickled and squeezed vegetables) and its requirements, including sensory, physical and chemical, contaminants, microorganisms, packaging, labelling, storage and transport. It also describes the corresponding test methods. This document is only applicable to Zhacai.
