

## TANZANIA BUREAU OF STANDARD

### LIST OF NEW AND REVISED COMPULSORY STANDARDS AS OF OCTOBER 2025

| S/N | COMPULSORY STANDARD             | TITLE                                                                                                                                                                       |
|-----|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.  | TZS 1:2018(E)                   | National flag of Tanzania - Specifications                                                                                                                                  |
| 2.  | TZS 7 (Part 1): 2015(E)         | Aluminium conductors and aluminium conductors steel – reinforced for overhead power transmission – All aluminium stranded conductors (AAC) – Specification                  |
| 3.  | TZS 7 (Part 2): 2015(E)         | Aluminium conductors and aluminium conductors steel – reinforced for overhead power transmission – Aluminium conductors, galvanized steel reinforced (ACSR) – Specification |
| 4.  | TZS 8: 1979(E)                  | Reels and drums for bare wires – Specification                                                                                                                              |
| 5.  | TZS 11: 2024(E)                 | Cold drawn mild steel wire for general engineering purposes - Specification                                                                                                 |
| 6.  | TZS 15: 2009 (E)                | Steel – Determination of phosphorus by alkali metric method                                                                                                                 |
| 7.  | TZS 16: 1979(E)                 | Steel – Clout or slate nail – Specification                                                                                                                                 |
| 8.  | TZS 17: 2009(E)                 | Steel – Spring head twisted shank nail – Specification                                                                                                                      |
| 9.  | TZS 18: 2009 (E)                | Steel – Panel pins – Specification                                                                                                                                          |
| 10. | TZS 19: 2017 (E)                | Steel – Round plain head nails – Specification                                                                                                                              |
| 11. | TZS 28: 2020/EAS 90:2019(E)     | Compounded poultry feeds – Specification                                                                                                                                    |
| 12. | TZS 29:2022/EAS 99:2019(E)      | Spices and condiments – Terminology                                                                                                                                         |
| 13. | TZS 30:2018(E)                  | Black pepper and white pepper (whole and ground)                                                                                                                            |
| 14. | TZS 31: 2022 (E)                | Chilies and capsicums (whole and ground)                                                                                                                                    |
| 15. | TZS 36:2023/EAS 31:2021         | Laundry soap — Specification                                                                                                                                                |
| 16. | TZS 37-1:2023/EAS 186-1:2021    | Bathing soap — Specification — Part 1: Solid                                                                                                                                |
| 17. | TZS 37-2:2023/EAS 186-2:2021    | Bathing Soap — Specification — Part 2: Liquid                                                                                                                               |
| 18. | TZS 38: 2017(E)                 | Soap – Laundry powder – Specification                                                                                                                                       |
| 19. | TZS 39-1:2023/EAS 127-1:2021(E) | Synthetic detergent powders — Specification — Part 1: Household hand use                                                                                                    |
| 20. | TZS 45: 2022/EAS 98:2019(E)     | Curry powder – Specification                                                                                                                                                |
| 21. | TZS 46: 2022/EAS                | Turmeric whole and ground – Specification                                                                                                                                   |

|     |                                     |                                                                                                             |
|-----|-------------------------------------|-------------------------------------------------------------------------------------------------------------|
|     | 917:2019 (E)                        |                                                                                                             |
| 22. | TZS 47: 2022/EAS 916:2019(E)        | Ginger – Specification                                                                                      |
| 23. | TZS 48: 2019(E)                     | Margarine – Specification                                                                                   |
| 24. | TZS 49: 2014(E)                     | Groundnut oil – Specification                                                                               |
| 25. | <b>TZS 50:2025/EAS 299:2023 (E)</b> | <b>Edible Sunflower oil — Specification</b>                                                                 |
| 26. | <b>TZS 51:2025/EAS 333:2023 (E)</b> | <b>Edible Sesame (simsim) oil — Specification</b>                                                           |
| 27. | TZS 52: 2020(E)                     | Edible Coconut oil – Specification                                                                          |
| 28. | <b>TZS 53:2025/EAS 298:2023 (E)</b> | <b>Edible Cottonseed oil — Specification</b>                                                                |
| 29. | TZS 55: 2022 (E)                    | Edible tallow – Specification                                                                               |
| 30. | <b>TZS 56:2025/EAS 63:2019 (E)</b>  | <b>Beer – Specification</b>                                                                                 |
| 31. | TZS 57: 2014(E)                     | Safety matches in boxes – Specification                                                                     |
| 32. | TZS 58 (Part 2): 1980(E)            | Natural aggregates for concrete – Specification                                                             |
| 33. | TZS 59:2023/ISO 3696:1987           | Water for analytical laboratory use - Specification and test methods                                        |
| 34. | TZS 60: 2016(E)                     | Mosquito coils – Specification                                                                              |
| 35. | TZS 61 (Part-1): 2016(E)            | Aerosols – Containers and products – General requirements for aerosol containers – Specification            |
| 36. | TZS 61 (Part-2): 2016(E)            | Aerosols – Containers and products – Household aerosols against flying and crawling insects – Specification |
| 37. | TZS 63: 2017(E)                     | Paper sizes – Specification                                                                                 |
| 38. | TZS 64: 2009(E)                     | Forms design sheet and layout chart – Specification                                                         |
| 39. | TZS 65: 2009(E)                     | Paper – Untrimmed stock sizes for A series – Primary range – Specification                                  |
| 40. | TZS 66: 2017(E)                     | Folders and files – Specification                                                                           |
| 41. | TZS 67: 2018/ ISO 269:1985(E)       | Correspondence envelopes – Designation and sizes                                                            |
| 42. | TZS 68: 2015(E)                     | Writing chalks – Specification                                                                              |
| 43. | TZS 69: 2022 (E)                    | Scholastic exercise books — Specification                                                                   |
| 44. | TZS 71: 2017(E)                     | Ball point pen ink – Specification                                                                          |
| 45. | TZS 72: 2022/EAS 187:2020 (E)       | Tooth paste – Specification                                                                                 |
| 46. | TZS 73: 2014(E)                     | Tooth brushes – Specification                                                                               |
| 47. | TZS 74: 2022E)                      | Sulfuric acid – Specification                                                                               |
| 48. | TZS 75: 1980(E)                     | Water for lead acid batteries – Specification                                                               |
| 49. | <b>TZS 87/:2025EAS 66-4:2022(E)</b> | <b>Tomato products — Specification — Part 4: Canned tomato concentrate (puree and paste)</b>                |
| 50. | TZS 88: 2015 / EAS 8:2010(E)        | Raw sugar Cane– Specification                                                                               |

|     |                                             |                                                                                                              |
|-----|---------------------------------------------|--------------------------------------------------------------------------------------------------------------|
| 51. | TZS 100: 2015 / EAS 16:2010(E)              | Plantation white sugar – Specification                                                                       |
| 52. | TZS 101: 2017 (E)                           | Refined sugar – Specification                                                                                |
| 53. | <b>TZS 102:2025/EAS 43:2023 (E)</b>         | <b>Bread – Specification</b>                                                                                 |
| 54. | TZS 103: 2014(E)                            | Refined soya bean oil – Specification                                                                        |
