APPLICABLE PENALTY FOR UNINSPECTED USED MOTOR VEHICLES UNDER THE PVoC PROGRAMME

The importation of used motor vehicles without a Certificate of Roadworthiness (CoR) from countries where TBS implements the PVoC programme shall be subject to Destination Inspection (DI) with penalty. The penalty is calculated as 15% of the total invoice value of the PVoC-regulated used motor vehicle as assessed by Tanzania Revenue Authority (TRA).

NB: IF THE USED MOTOR VEHICLE INSPECTED AT THE DESTINATION DOES NOT COMPLY WITH THE APPLICABLE STANDARDS, THE IMPORTER WILL BE REQUIRED TO REPAIR AND PRESENT IT FOR RE-INSPECTION WITHIN TWENTY-ONE (21) DAYS. NON-REPAIRABLE VEHICLES WILL EITHER BE RETURNED TO THE COUNTRY OF ORIGIN/EXPORT OR DESTROYED AT THE IMPORTER'S EXPENSE.
