

TANZANIA BUREAU OF STANDARDS

PVoC PROGRAMME EXEMPTIONS

Importers of goods which are regulated under the Pre-shipment Verification of Conformity to Standards (PVoC) programme may qualify for exemption if they meet the required criteria. Goods exempted from PVoC inspection will undergo destination inspection upon arrival in the country. Exemptions are granted following a successful assessment based on the criteria outlined below.

A

PERSONAL GOODS/BELONGINGS

Covers items owned and used by an individual for private or personal use, not intended for business, trade, or resale.

Requirements

- a) Application letter requesting for PVoC exemption
- b) Supporting documents such as residence permit, work permit, student permit, passport, baggage declaration form (BD form)

Note: Exemption is granted per shipment.

B

RAW MATERIALS, MACHINERY AND SPARE PARTS IMPORTED BY MANUFACTURERS OF TBS CERTIFIED PRODUCTS

Requirements

- a) Application letter requesting for PVoC exemption

- b) Final products must be certified by Tanzania Bureau of Standards (TBS) under the Product Certification Scheme ('tbs' mark or tested product certification)
- c) Valid TBS licence/Tested Product Certificate or its renewal endorsement
- d) List of goods (raw materials, machinery and machinery spare part) to be exempted.

Note: The exemption letter will remain valid until the expiry date of the Licence or Certificate for the respective product. However, the exemption may also be issued on a shipment basis if necessary.

C

RAW MATERIALS, MACHINERY AND SPARE PARTS FOR UNCERTIFIED PRODUCTS

Requirements

- a) Application or introduction letter from the Confederation of Tanzania Industries (CTI) for CTI Members
- b) List of goods (raw materials, machinery and machinery spare part) to be exempted

Note: The exemption is granted for a period of one year with no renewal. However, it may also be issued on a shipment basis within the year if deemed necessary.

D

CAPITAL GOODS AND RAW MATERIALS FOR VALUE ADDITION

Capital goods refer to the tangible assets acquired by an investor for production of goods and/or services provision, not for immediate consumption or resale, rather to enable or support the business operations and income generation.
