REVISED LIST OF HARMONIZED SYSTEM CODES (HS CODES) FOR TBS REGULATED GOODS

Dar es Salaam, 30th March, 2023

Tanzania Bureau of Standards (TBS) has revised the list of Harmonized System Codes (HS Codes) for goods regulated under Pre-shipment Verification of Conformity (PVoC) and Destination Inspection (DI) systems in order to strengthen control of imports and facilitate clearance at entry points.

In view of this, all importers, clearing and forwarding agents and other stakeholders are required to comply with the requirements associated with the revised list of PVoC and DI HS codes for TBS regulated goods to be imported into Tanzania starting from **1st April 2023**.

However, consignments already on board, arriving at entry points and those which are in the final stages for shipment into the country before 1st April 2023 will be handled as per previous procedures without penalty provided that evidence for the same is demonstrated during clearance at entry points.

The new list of HS Codes for PVoC and DI regulated goods is now available on the TBS website (www.tbs.go.tz > Compliance and Enforcement > Imports and Export Control).
