

TECHNICAL ASSISTANCE TO EXPORTERS

Technical Assistance to Exporters (TAE) is a service which provides Exporters with essential information and advice on technical requirements in foreign markets.

★ **This program is categorised as follows:-**

1. Small quantity (not more than 5 kg per item)

Exporters need to register and submit their applications online through <https://oas.tbs.go.tz> and pay TZS 30,000.

2. Large quantity certified products

Exporter needs to register and submit application online through <https://oas.tbs.go.tz> and must indicate TBS certified manufacturer (s) and licence number for particular product. This category is free of charge.

3. Large quantity uncertified products

Exporter is required to submit written application to nearest TBS office. Exporter will be issued with inspection and testing price list. Upon payment, sample will be taken for testing. After the sample test results are out and in favour of the product, the exporter will be issued ascertainment report within 7 days.
