0.National foreword

The Tanzania Bureau of standards is the statutory national standards body for Tanzania, established under the act.No.3 of 1975, amended by act.No.2 of 2009

This finalized Tanzania standard is being prepared by Masonry Technical Committee, under the supervision of the Building and Construction Divisional Standards Committee (BCDC)

This Draft Tanzania Standard is identical adoption of **ARS 1303:2016 Guidelines for laying clay bricks** published by The African Organization for Standardization (ARSO)).

Terminologies and conventions

The text of the Africa Organization standard is hereby being recommended for adoption without deviation for publication as draft Tanzania standard.

Some terminologies and certain conventions are not identical with those used as Tanzania standards; attention is drawn to the following:

Wherever the words “The African Organization” appear, referring to this standard, they should read as “Tanzania Standard”.
