

TANZANIA STANDARDS

MMDC 3 (3163) DTZS/TZS 1963-2:2017/ ISO 13909-2:2016 Hard coal and coke – Mechanical sampling - Part 2: Coal – sampling from moving streams

FOR PUBLIC COMMENTS ONLY

TANZANIA BUREAU OF STANDARDS

National foreword

This Tanzania Standard is being prepared by Solid Mineral Fuels and Related Products Technical Committee (MMDC 3), under the supervision of the Mining and Minerals Standards Divisional Committee (MMDC).

This draft Tanzania Standard is the identical adoption of **ISO13909-2:2016 "Hard coal and coke – Mechanical sampling - Part 2: Coal – sampling from moving streams"** prepared by ISO/TC 27.

The ISO standard title on the cover page has been written in bilingual, for the purpose of this Tanzania standard only English text of the title should be used.

This second edition cancels and replaces the first edition (**TZS 1963-2:2017/ISO 13909-1:2016**), which has been technically revised

Some terminology and certain conventions are not identical with those used in Tanzania standards; attention is drawn especially to the following:

- The comma has been used as a decimal marker for metric dimensions. In Tanzania Standards, it is current practice to use "full point" on the baseline as the decimal marker.
- Wherever the words 'International Standard' appears in the text, referring to this draft standard, they should read as 'Tanzania Standard'.

This Tanzania Standard was published under authority of the Board of Directors of Tanzania Bureau of Standards on XXXX-XX-XX.

Tanzania Bureau of Standards (TBS) is the statutory national standards body for Tanzania established under the Standards Act No. 3 of 1975, repealed and replaced by the Standards Act No. 2 of 2009.

Mining and Minerals Standards Divisional Committee, under whose supervision this Tanzania Standard was prepared, consists of representatives from the following organizations;

*University of Dar es Salaam College of Engineering and Technology (CoET)

*Geological Survey of Tanzania (GST)

*Tanzania Chambers of Minerals and Energy (TCME)

*Occupational Safety and Health (OSHA)

*Ministry of Energy (MoE)

Ministry of Minerals (MoM)

*National Environment Management Council (NEMC)

Rural Water Supply and Sanitation Agency (RUWASA)

*State Mining Corporations (STAMICO)

*Tanzania Bureau of Standards (TBS)

*Federation of Miners Association of Tanzania (FEMATA)

Tanzania Women Miners Association (TAWOMA)

The organizations marked with an asterisk (*) in the above list, together with the following were directly represented on the technical committee entrusted with the preparation of this standard:
