

National foreword

This Tanzania Standard is identical to ISO 536:2012 Paper and board — Determination of grammage (Basic mass) published by the International Organization for Standardization (ISO).

Some terminologies and certain conventions used in International Organization for Standardization (ISO) are not identical with those used in Tanzania Standards and attention is drawn especially to the following:

The comma has been used as a decimal marker for metric dimensions. In Tanzania, it is current practice to use a “full point” on the baseline as a decimal marker.

Wherever the words International Standard appear referring to this document, they should be interpreted as ‘Tanzania Standard’.

1 Scope

This Standard specifies a method for determining the grammage of paper and board.
