0 Foreword

The Tanzania Bureau of Standards is the statutory national standards body for Tanzania, established under standards Act No. 3 of 1975, amended by Act No. 2 of 2009.

This draft Tanzania Standard is being prepared by the BCDC 14 Building and Civil Engineering General Technical Committee under the supervision of the Building and Construction Divisional Committee (BCDC).

This draft Tanzania Standard is an identical adoption of the International Standard ISO 10845-4-2021, Construction procurement — Part 4: Standard conditions for the calling for expressions of interest, published by the International Organization for Standardization.

Terminologies and conventions

The text of the International Standard is hereby recommended for approval without modification.

Some terminologies and certain conventions are not identical with those used as Tanzania Standard; attention is drawn to the following:

The comma (,) has been used as decimal marker (.) for metric dimensions. In Tanzania Standards, its current practice to use a full point on the baseline as decimal marker.

Whenever the words “International Standard” appear, referring to this standard, they should be interpreted as “Tanzania Standard”.

Scope

This document sets out standard conditions for the calling for expressions of interest, which

- a) bind the employer and respondent to behave in a particular manner,
- b) establish what is required for a respondent to submit a compliant submission,
- c) make known to respondents the evaluation criteria, and
- d) establish the manner in which the employer conducts the process of calling for expressions of interest.

This document is intended for use in procurements relating to goods, services and construction works and certain disposals other than by auction.
