National foreword

Tanzania Bureau of Standards (TBS) is a sole National Standards body, established by the Standards Act No. 2 of 2009. It is mandated, among other functions, with formulation of National Standards in all products.

This Draft of Tanzania Standard is being prepared by Roofing and Finishes Technical Committee under the supervision of Building and Construction Divisional Standards Committee

This Draft Tanzania Standard is identical to **ISO 13007-6:2020 Ceramic tiles Grouts and adhesives Part 6: Requirements, test methods, evaluation of conformity, classification and designation for waterproof membranes used with the installation of ceramic tiles**, published by the International Organization for Standardization. (ISO)

Terminologies and conventions

Wherever the words “International Standard” appear, referring to this Tanzania standard, they should interpret as “Tanzania Standard”.

Scope

This document applies to all bonded sheet waterproofing membranes that are used beneath ceramic tiling for internal and external tile installations on walls and floors.

This document provides the terminology concerning the products and specifies the test methods and the values of performance requirements for bonded sheet waterproofing products associated with tile adhesives.
